## Issues

| # | Project | Subject | Status | Assignee | Target version | Due date | Related issues |
|---|---|---|---|---|---|---|---|
| 52949 | openQA Tests | [qe-core][RPi3][epic] SLES on RaspberryPi | Resolved | dheidler | Milestone 31 | | Related to #71494 |
| 37946 | openQA Tests | [sle][migration][sle15sp3] detect "Unknown" architecture on aarch64 in upgrade_select test and mark as softfail | Resolved | zoecao | | | |
| 36403 | openQA Tests | [caasp] test for udp flannel backend | Rejected | thehejik | | | |
| 35895 | openQA Project | [os-autoinst-openvswitch][theory] problem with assigining VLANs tags - more testsuites are using the same VLAN? | Resolved | EDiGiacinto | Done | | |
| 34813 | openQA Tests | [microos] tests for caasp toolchain module | Resolved | thehejik | | | |
| 33700 | openQA Tests | [slenkins][qam] tcpd test fails in 2_tcpdmatch - hostnamectl/dns issue in slenkins tcpd testsuite | Resolved | thehejik | | | |
| 33253 | openQA Infrastructure | [salt] add support for multiple multi-host worker clusters - connect multiple workers using GRE within the same WORKER_CLASS | Resolved | thehejik | | | Related to #32314, Related to #32296, Related to #7982 |
| 32338 | openQA Tests | [aarch64]Prepare support_server image based on SLE12SP3 for aarch64 for multimachine tests | Resolved | asmorodskyi | | | Related to #31978, Related to #32707 |
| 32314 | openQA Infrastructure | [salt] make GRE tunnels salt-states compatible with global worker configuration from pillars | Resolved | thehejik | | | Related to #31978, Related to #33253 |
| 32107 | openQA Tests | [sle][functional][workable] let support_server wait for remote target to lease an IP after initial bootup | Resolved | thehejik | | | |
| 20920 | openQA Project | [tools] Try out if we can connect more than 2 ovs bridges by GRE for multimachine purposes | Resolved | thehejik | | | |
| 20002 | openQA Project | [tools] openqa sometimes doesn't update job_dependencies table | Resolved | | | | Related to #18684, Related to #20790 |
| 19942 | openQA Tests | [slenkins] [openqa] all slenkins tests failing - new support_server image based on SP2 needed | Resolved | thehejik | | | |
| 19806 | openQA Project | eth0 address of one node is sometime in use by other test in multimachine tests within same ovs VLAN | Resolved | | Done | | Has duplicate #19276 |
| 19704 | openQA Project | [tools][caasp] rise number of workers for CaaSP dedicated machines | Resolved | thehejik | | | |
| 19694 | openQA Project | [tools] refactoring of salt states and pillars for GRE workers openqaworker8 and openqaworker9 | Resolved | | | | |
| 19614 | openQA Tests | [tests][slenkins] change prio for SRPMS repo in shim testsuite | Resolved | thehejik | Milestone 8 | | |
| 19346 | openQA Tests | [tools] use pflash for efi var store | Rejected | thehejik | | | |

| # | Project | Subject | Status | Assignee | Target version | Due date | Related issues |
|---|---|---|---|---|---|---|---|
| 18828 | openQA Tests | [tools][sles][functional] keystrokes are sometimes ignored on aarch64 in partitioning_raid test | Resolved | SLindoMansilla | | | Related to #12214, Related to #20108, Has duplicate #18830 |
| 18444 | openQA Tests | [sles][functional]Make partitioning_raid test compatible with UEFI | Resolved | thehejik | Milestone 7 | | |
| 18082 | openQA Project | [tools][dashboard]Sort by time within parent group overview page | Resolved | EDiGiacinto | Milestone 8 | | Blocks #18404 |
| 17902 | openQA Project | Check if qemu-img finished correctly and die if not | Resolved | mitiao | Done | | |
| 17824 | openQA Tests | Images are not available on svirt VM hosts | Resolved | michalnowak | | | |
| 17622 | openQA Project | Unwanted login prompt occurence in script_output() output | Resolved | okurz | | | |
| 17462 | openQA Project | Testlib function record_info doesn't mark overall and category results as 'fail' | Resolved | okurz | | | |
| 17346 | openQA Project | [tools]rsync.pl does a sync even if --dry option is used for sle12_sp3 | Resolved | okurz | | | |
| 15154 | openQA Tests | os-autoinst-openvswitch in failed state on multimachine workers | Resolved | nadvornik | | | |
| 12256 | openQA Project | /usr/bin/isotovideo complains about missing utils.pm in @INC | Resolved | oholecek | | | |
| 25754 | openQA Tests | [sle][functional][yast][easy] don't wait 100s for pop-up in addon_products_yast2.pm | Resolved | jorauch | Milestone 15 | 2018-03-27 | |
| 31426 | openQA Tests | [sle][functional][u][epic] extend tests for icewm regarding raspberry pi scenario (was: extend tests for icewm a bit) | Rejected | | future | 2018-06-12 | Related to #30586 |
