|--------|--------------------|---|----------|--------------|----------------|------------|---------------------------------------|
| 112442 | openQA auto review | auto_review:"systemctl --no-pager start slurmctld' failed":force_result:softfailed  | Resolved | ybonatakis   |                |            |                                       |
| 49697  | openQA Project     | [Bug] Needle panel shows incorrect matches  | Rejected |              |                |            |                                       |
| 55151  | openQA Project     | [functional][y] provide message explaining the failure in script_run  | Resolved | ybonatakis   |                | 2019-10-08 |                                       |
| 58319  | openQA Project     | [openqa-client] make --form visible in the help output  | Resolved | mkittler     | Done           |            |                                       |
| 68143  | openQA Project     | [y] Implement navigation to the schedule from the job   | Resolved | ybonatakis   | future         | 2020-06-30 |                                       |
| 68146  | openQA Project     | Implement colored and interactive logs  | Resolved | okurz        | future         |            | Related to #34978, Related to #16180  |
| 91878  | openQA Project     | Improve git log entries in failed test investigation  | Resolved | ybonatakis   | future         |            | Related to #92731                     |
| 98388  | openQA Project     | Non-existing asset "uefi-vars" is still shown up on #downloads  | Resolved | mkittler     | Ready          |            | Related to #97304, Related to #99672  |
| 107878 | openQA Project     | number of failed job provides wrong value on the build's status bar   | Resolved | mkittler     | Ready          | 2022-03-18 |                                       |
| 66427  | openQA Project     | openqa-cli cant trigger single job  | Rejected | ybonatakis   |                |            |                                       |
| 89077  | openQA Project     | os-autoinst Makefile is missing symlinks configuration  | Resolved | mkittler     | Ready          |            |                                       |
| 109292 | openQA Project     | OSD is missing x86_64 jobs duplicate key value violates unique constraint "assets_type_name" in lib/OpenQA/Schema/ResultSet/Assets.pm line 33 within find_or_create | Resolved | mkittler     | Ready          |            | Related to #35749, Related to #109560 |
| 54041  | openQA Project     | test terminates in openqa in scenario with raid partitioning  | Resolved | okurz        |                |            |                                       |
| 98577  | openQA Project     | Unknown ARRAY( variables matching HDD_1 or ISO in job settings  | Resolved | tinita       | Ready          |            |                                       |
| 61931  | openQA Tests       | [functiona][y] autoinst.xml is missing registration block in autoyast_reinstall   | Resolved | JERiveraMoya | Milestone 30   | 2020-01-28 |                                       |
| 65858  | openQA Tests       | [functional] ppc64le iso is not bootable  | Rejected | riafarov     |                |            |                                       |
| 59318  | openQA Tests       | [functional][u] packages are not getting installed  | Resolved | jorauch      | Milestone 28   |            |                                       |
| 65088  | openQA Tests       | [functional][y] Verify writing conflict from YaST in 70-yast.conf   | Resolved |              | future         | 2020-07-14 | Copied from #61073                    |
| 57749  | openQA Tests       | [functional][y] apply solution for yast2_snapper_ncurses as it does for Tumbleweed  | Rejected | riafarov     | Milestone 30+  | 2019-11-19 | Related to #56255                     |
| 59411  | openQA Tests       | [functional][y] betawarning appears for every selected product onSLE 15 sp2 "full" installer  | Rejected | riafarov     | Milestone 29   | 2019-12-03 |                                       |
| 59312  | openQA Tests       | [functional][y] could not resolv repos urls   | Rejected | riafarov     |                |            |                                       |
| 59939  | openQA Tests       | [functional][y] first entry in product selection list is not highlighted on s390  | Resolved | oorlov       | Milestone 30+  | 2019-12-03 |                                       |

| #      | Project      | Subject   | Status   | Assignee         | Target version    | Due date   | Related issues     |
|--------|--------------|---|----------|------------------|-------------------|------------|--------------------|
| 65891  | openQA Tests | [functional][y] fix first_boot on ipmi  | Resolved | oorlov           | SLE 15 SP2        | 2020-05-19 |                    |
| 64328  | openQA Tests | [functional][y] fix hostname_inst from btrfs_libstorage-ng  | Rejected | ybonatakis       |                   |            |                    |
| 64731  | openQA Tests | [functional][y] generate TW image with wicked and use it in yast2_cmdline and nis MM test suites      | Resolved | oorlov           | future            | 2020-05-19 | Copied from #61901 |
| 61100  | openQA Tests | [functional][y] test fails in scc_registration  | Resolved | riafarov         |                   |            |                    |
| 55964  | openQA Tests | [functional][y] test fails in scc_registration because of missing step                                | Rejected | riafarov         |                   |            |                    |
| 60230  | openQA Tests | [functional][y] test fails in system_role   | Resolved | riafarov         | Milestone 30      |            | Related to #60041  |
| 59012  | openQA Tests | [functional][y] test fails in yast_sysconfig  | Resolved | riafarov         |                   |            |                    |
| 55949  | openQA Tests | [functional][y] yaml schedulers are not found   | Resolved | riafarov         |                   |            |                    |
| 66043  | openQA Tests | [functional][y][hyperv] test failing in shutdown needs investigation                                  | Rejected | riafarov         | Milestone 35+     | 2020-05-19 |                    |
| 62495  | openQA Tests | [functional][y][opensuse] Update support_server on o3 for remote installations                        | Closed   |                  |                   |            | Copied to #62498   |
| 62498  | openQA Tests | [functional][y][opensuse] Update support_server on o3 for remote installations                        | Resolved | JERiveraMoya     | Milestone 32      | 2020-02-11 | Copied from #62495 |
| 62096  | openQA Tests | [functional][y][opensuse][timeboxed:16h] remote intallation doesnt communicate correctly after reboot | Resolved | ybonatakis       | Milestone 31      | 2020-01-28 |                    |
| 64165  | openQA Tests | [functional][y][periodic] test fails in nis_server  | Rejected |                  |                   |            |                    |
| 65882  | openQA Tests | [functional][y][sporadic] test fails in first_boot cant finish because guess disabled guest           | Rejected | riafarov         | Milestone 33      |            |                    |
| 62690  | openQA Tests | [functional][y][timeboxed:8h] finish btn is disabled in Installation Completed                        | Resolved | mloviska         | Milestone 32      | 2020-02-25 |                    |
| 57743  | openQA Tests | [functional][y][timeboxed:8h] test tries to reboot when poweroff is given in shutdown                 | Resolved | oorlov           | Milestone 29      | 2019-10-22 | Related to #58127  |
| 59309  | openQA Tests | [Functional][y]test fails in verify_ext4  | Rejected | riafarov         |                   |            |                    |
| 107395 | openQA Tests | [HPC] zypper returns error code 107 in slurm_master   | Resolved | ybonatakis       | QE Kernel Current |            |                    |
| 91941  | openQA Tests | [qac] test fails in docker_runc   | Resolved | ybonatakis       |                   |            |                    |
| 95455  | openQA Tests | [qac][kernel] Make record_soft_failure shows error as regression                                      | New      |                  |                   |            |                    |
| 70237  | openQA Tests | [y] Add validations for textmode of ppc64le   | Resolved | syrianidou_sofia | SLE 15 SP3        | 2020-10-06 |                    |
| 67285  | openQA Tests | [y] Adjust installation in autoyast_salt to the recent changes  | Resolved | ybonatakis       | SLE 15 SP2        | 2020-06-16 |                    |
| 71896  | openQA Tests | [y] Expert partitioning framework refactoring   | Rejected | riafarov         | future            |            |                    |
| 70726  | openQA Tests | [y] Generate dud file dynamically instead of relying on urls  | Resolved | JERiveraMoya     | future            | 2020-09-22 |                    |
| 68515  | openQA Tests | [y] iscsi_client wont be fixed in SLE15SP2  | Rejected | riafarov         | SLE 15 SP3        |            |                    |
| 68908  | openQA Tests | [y] Remove deprecated sections from autoyast profile  | Rejected |                  |                   |            |                    |
| 70228  | openQA Tests | [y] restore checkmedia tests in YaST group for virtualization   | Resolved | riafarov         | SLE 15 SP3        | 2020-09-08 |                    |
| 68152  | openQA Tests | [y] Revert Negative Lookhead for 'nothing provides /bin/sh'   | Resolved | riafarov         | SLE 15 SP3        |            |                    |
