2022-02-01 heroes meeting

status reports:

- Lars works on enabling DMARC for the opensuse.org domain, starting with relaxed settings and looking for the outcome. If everything works as expected, we can look further...

- Per worked on various issues, see [https://lists.opensuse.org/archives/list/heroes@lists.opensuse.org/message/LK44FTIYAV3F2FOP7VZPFZPXZNFZNVH1Y](https://lists.opensuse.org/archives/list/heroes@lists.opensuse.org/message/LK44FTIYAV3F2FOP7VZPFZPXZNFZNVH1Y)

Discussed mailman slowness (especially moderation queue, poo#104899), but didn't come to a result. It's probably worth asking upstream at [https://gitlab.com/mailman](https://gitlab.com/mailman)

Ticket status "Resolved" and "Closed" can only be set by members of the "Managers" group on progress.o.o - no idea why, there's no place in progress that restricts ticket states to a specific group (at least we didn't find one)
