- Estimated time changed from 8.00 h to 10.00 h

Discussed with Oliver, we just need make the record non-red is accepted.

#####

Hi Oliver, I have a question about the red border for 'No orphans whitelist',

https://openqa.nue.suse.com/tests/8003944#step/orphaned_packages_check/10

Could we record the info there but don't set it red? I think not setting the ZYPPEL_WHITELISTED_ORPHANS is not an error, we can just record it and reminder to set it if needed. So does the ZYPPEL_WHITELISTED_ORPHANS must be set? if not, mark it as red may make user think this is wrong. WDYT? Thanks.

Oliver Kurz 2:39 PM

yes, you could simply call record_info with no result or the default "ok", see http://open.qa/api/testapi/#_record_info , then the border will not be red
#####

Created a branch, wait <http://openqa.nue.suse.com/tests/8434843#live> to verify it.

#6 - 2022-03-31 03:02 - leli

- % Done changed from 20 to 40

PR submitted, <https://github.com/os-autoinst/os-autoinst-distri-opensuse/pull/14613>

#7 - 2022-04-01 09:10 - leli

- Status changed from In Progress to Resolved

- % Done changed from 40 to 100

PR merged.
