- Start date set to 2016-09-01

#3 - 2016-08-09 14:25 - Inussel

- Description updated

#4 - 2016-08-31 12:32 - Inussel

- Status changed from New to Closed
- Assignee set to Inussel
- % Done changed from 0 to 100

talked to Johannes. There is no need to update shim this time. The one from 42.1 is good

#5 - 2016-09-06 09:44 - gary_lin

I would like to update shim to add the new HTTP Boot feature and the openssl update. The code is ready in devel:openSUSE:Factory. Maybe we can request a new signature around RC1.

#6 - 2016-09-06 09:53 - Inussel

- Assignee changed from Inussel to jsegitz
- % Done changed from 100 to 50

If we need a new shim we should get it ASAP to get some testing

Johannes, what do you think about Gary's suggestion?
