History

#1 - 2016-06-20 11:54 - Inussel

- Assignee set to gschlotter

#2 - 2016-07-18 09:11 - Inussel

what is the current status here?

#3 - 2016-07-18 09:19 - gschlotter

Support ticket at Transtec is open, try to fix it with them. I do not know if IPMI is working again (but with deleted config) or completely broken. If I figure out that it works I can go installing the machine.

#4 - 2016-07-18 14:28 - Inussel

When did you open the ticket and how long will it take to fix?

#5 - 2016-07-25 14:09 - Inussel

ping, any ETA?

#6 - 2016-07-28 04:53 - gschlotter

Transtec will send us a new mainboard, because something there is borken, I will tell rudi about it, because I am the next weeks on vacation.
