<b>Description</b>			
As discussed during openSUSE Conference 2016, we should have a discussion mailing list for openSUSE admin stuff.			
Proposed name: <a href="mailto:heros@opensuse.org">heros@opensuse.org</a>			

### History

#### #1 - 2016-06-28 10:39 - tampakrap

it was discussed in the past as well, and there's another ticket about this (sorry I'm unable to search for it now). The then proposed name was [opensuse-admin@o.o](mailto:opensuse-admin@o.o)

#### #2 - 2016-06-28 10:58 - hennevogel

What is the purpose and audience of this mailing list?

#### #3 - 2016-07-01 16:51 - AdaLovelace

That should be a mailing list to communicate for the new infrastructure in Provo ( wiki problems and new setup). The audience are Craig, Lars, Martin, Christian and Sarah (perhaps others).

#### #4 - 2016-07-17 12:11 - AdaLovelace

Do you need any other information for creating a mailing list?
