History

#1 - 2013-03-11 08:51 - ancorgs

- % Done changed from 0 to 70

- Status changed from New to In Progress

Fixed an issue with piwik tracking in newer versions of Firefox. We were completely losing all the download hits from any Firefox more recent than 6. Had to change the download mechanism a little bit. Tested in Chromium, several Firefox versions and several IE versions. More tests will be welcomed.

Final tests for download links have to be done on deployment. But everything seems to work properly.

#2 - 2013-03-14 10:49 - Inussel

- % Done changed from 70 to 100

- Status changed from In Progress to Closed
