Has duplicate openQA Tests - action #18042: test error - incomplete trying to...		<b>Resolved</b>	<b>2017-03-27</b>

#### History

##### #1 - 2017-03-24 10:49 - okurz

- Subject changed from windows-10 dualboot tests fail to grab the win10 disk image to [opensuse][tools] windows-10 dualboot tests fail to grab the win10 disk image

- Category set to Infrastructure

- Assignee set to szarate

- Priority changed from Normal to High

[szarate](#), as far as I understood this is related to caching changes? can you work on this?

##### #2 - 2017-03-27 11:39 - SLindoMansilla

- Has duplicate action #18042: test error - incomplete trying to download qcow2 - CACHE: download of windows-10-x86\_64-1511@uefi\_win.qcow2 failed with 403: Forbidden added

##### #3 - 2017-03-27 12:01 - SLindoMansilla

- Status changed from New to In Progress

##### #4 - 2017-03-27 12:01 - SLindoMansilla

- Status changed from In Progress to Resolved

Resolved -> <https://openqa.opensuse.org/tests/377533>

##### #5 - 2017-03-27 15:16 - okurz

so who knows what fixed it?

##### #6 - 2017-03-27 15:49 - szarate

- Target version set to Milestone 6

Sorry I Didn't remember to update the ticket, i added a require ip directive for qcow images.

While talking with Inussel, we agreed to cleanup the apache configuration and move the /usr/lib/openqa/share/factory declarations to a separate file.
