

## openQA Project - action #2218

### idea: Merge /admin/workers view with the running table on /tests

2014-04-03 11:45 - ancorgs

<b>Status:</b>	Resolved	<b>Start date:</b>	2014-04-03
<b>Priority:</b>	Low	<b>Due date:</b>	
<b>Assignee:</b>	okurz	<b>% Done:</b>	0%
<b>Category:</b>	Feature requests	<b>Estimated time:</b>	10.00 hours
<b>Target version:</b>	future		
<b>Difficulty:</b>			
<b>Description</b>			
The workers view should not be a full view (which we don't even know where to place the link to, btw), but substitute one of the "not implemented yet" boxes in the front page. Using AJAX, I would say.

### History

#### #1 - 2014-11-10 13:19 - coolo

- Category set to 124

#### #2 - 2015-03-26 10:15 - oholecek

Is this still valid now when we have completely new landing page?

#### #3 - 2015-03-26 15:56 - coolo

not as is, no

But I can imagine merging the /admin/workers view with the running table on /tests

#### #4 - 2016-09-06 11:41 - okurz

- Subject changed from Move the 'workers view' to one of the boxes in the front page to idea: Merge /admin/workers view with the running table on /tests

- Priority changed from Normal to Low

- Target version changed from Easy hacks to future

as proposed in [#2218#note-3](#)

#### #5 - 2017-03-29 16:13 - okurz

- Status changed from New to Resolved

- Assignee set to okurz

I argue this has been done by the change to link the worker view from the job results with more details and worker specific history

#### #6 - 2018-06-15 19:07 - okurz

- Target version changed from future to future
