

openQA improvement - action #257

rewrite qemu monitor backend to use json

2013-03-27 14:23 - Inussel

Status:	Closed	Start date:	2013-05-20
Priority:	Normal	Due date:	2013-05-21
Assignee:	Inussel	% Done:	0%
Category:		Estimated time:	8.00 hours
Target version:	T05. Smart test scheduler		
Description			
use json (QMP) interface instead of the monitor command line for humans
