- Category set to Development
- Due date set to 2013-05-12
- Estimated time set to 2.00 h

#3 - 2013-04-04 11:28 - aplanas

- Due date changed from 2013-05-12 to 2013-04-15
- Start date changed from 2013-03-29 to 2013-04-15

#4 - 2013-04-05 13:47 - aplanas

- Due date changed from 2013-04-15 to 2013-04-16
- Start date changed from 2013-04-15 to 2013-04-16

#5 - 2013-04-18 15:23 - cwh

- Assignee changed from coolo to cwh
- % Done changed from 0 to 100
- Status changed from New to In Progress

It is just there to disable silent boot to see the boot messages.
If NICEVIDEO is set this is skipped and a silent boot without messages is done.

#6 - 2013-04-22 17:12 - aplanas

- Status changed from In Progress to Closed
