

Staging project workflow - action #2942

accept staging links new deps

2014-07-24 08:44 - mlin7442

Status:	New	Start date:	2014-07-24
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	Future		
Description			
new deps added to ring and can see it was lists in Inherited Packages, however it doesn't so impossible start build, it would be best if staging accept links the new deps

From what I understand the problem, it's fixed now?

#2 - 2014-09-19 14:22 - coolo

ah, this is about the webui showing new ring packages in stagings even though it's not rebased?

#3 - 2014-09-24 11:27 - mlin7442

just saw your comment, yes, it is.
