- Status changed from New to In Progress

- % Done changed from 0 to 100

The problem is version earlier than sle15 don't has this package apparmor-abstractions

Problem: nothing provides apparmor-abstractions needed by qa_test_systemd-1-39.1.x86_64
Solution 1: do not install qa_test_systemd-1-39.1.x86_64
Solution 2: break qa_test_systemd-1-39.1.x86_64 by ignoring some of its dependencies
