

openSUSE 13.2 Release - action #3500

DVD menu needs to contain version string

2014-09-02 11:13 - coolo

Status:	Rejected	Start date:	2014-09-02
Priority:	Normal	Due date:	2014-10-27
Assignee:	coolo	% Done:	0%
Category:	Development	Estimated time:	0.00 hour
Target version:	13.2 Beta 1		
Description			
As the branding of grub2 doesn't contain the version number in the graphics (wouldn't make sense in factory), we need to get the version into the texts			

History

#1 - 2014-09-02 11:22 - coolo

Note: this affects both grub2 on installation medium and gfxboot

#2 - 2014-09-09 12:25 - coolo

- Assignee set to coolo

talked to steffen about it as he returned from vacation

#3 - 2014-10-14 12:37 - Inussel

- Due date set to 2014-10-27

- Category set to Development

#4 - 2014-10-28 05:46 - coolo

- Status changed from New to Rejected

meanwhile I can be happy we have branding at all ;(
