Updated the spreadsheet in <https://docs.google.com/spreadsheets/d/1AGKijKpKiJCB616-bHV0NQhWHpQLHPWCb3m1p6gXPc/edit#gid=94909276> with a new tab, cleaned result and updated test plan, e.g. added "upgrade from 15.0". Will you incorporate that into one of the next announcement emails or should I write an explicit one about testing?

#6 - 2018-09-24 08:05 - Inussel

yes, I'll handle the communication. Thanks!
