

openQA improvement - action #377

get rid of checklog

2013-05-03 13:11 - Inussel

Status:	Closed	Start date:	2013-05-02
Priority:	Normal	Due date:	2013-05-06
Assignee:	Inussel	% Done:	100%
Category:	Development	Estimated time:	12.00 hours
Target version:	T05. Smart test scheduler		
Description			
writing a log file and then parsing the output just to do all matching again isn't smart instead the tests should write their result directly.			

History

#1 - 2013-05-06 15:05 - Inussel

- % Done changed from 0 to 100
