

openQA improvement - action #386

Enhance navigation in test results: an easy one to go to the next failing testmodule

2013-05-08 13:35 - ancorgs

Status:	Closed	Start date:	2013-05-08
Priority:	Normal	Due date:	2013-05-08
Assignee:	ancorgs	% Done:	100%
Category:	Development	Estimated time:	4.00 hours
Target version:	T10. Create a development mode in openQA		
Description			
We decided to create an interface with a list of modules and tabs to switch between tools related to that module			

History

#1 - 2013-05-08 13:39 - ancorgs

- % Done changed from 0 to 100

Already done. The code was also restructured so we can add more actions reusing templates for tabs, module list, etc.

It tooks me longer than it was really worth it because it was my first work with openQA web interface and because I decided to refactor some UI code.

#2 - 2013-05-08 13:40 - ancorgs

- Status changed from New to Closed

#3 - 2013-05-08 17:49 - aplanas
