Yes, we can do this at Artefakt on 19th

**#17 - 2013-11-06 11:38 - toscalix**

- Priority changed from High to Normal

I would need a budget then for food + 1 drink.

**#18 - 2013-11-15 14:36 - cwh**

Chili con Carne for 30 people is 200€.

I'd suggest not to make free drinks but a reduced price instead.

Regular price for a beer is 2,50€ - so attendees pay 1€ and 1.50€ are paid by (open)SUSE.

This would make for 30 people having 60 beer: 90€

So food and drinks are about 290€.

Approved. Please announce internally the Release party asap. Also externally though the wiki page. Invite the community members you know from NUE area. People like Klaas, the teachers, Rosenauer, etc.

Not sure whether invitation happened, but I think I saw Klaas going. Anyway, party is done.
