

openQA improvement - action #396

add "passed with defects" state

2013-05-13 17:39 - Inussel

Status:	Closed	Start date:	2013-05-30
Priority:	Normal	Due date:	2013-05-31
Assignee:		% Done:	70%
Category:		Estimated time:	2.00 hours
Target version:	T05. Smart test scheduler		
Description			
Sometimes the installation has bugs, such as popups about failure to start some service that are non-fatal. They are ok to have in milestones ore betas but not in e.g. RC's. There should be a way to call checkneedle to get past those popups but record the defect. So the final test result would be ok but with defects.			

History

#1 - 2013-05-27 17:34 - aplanas

- Estimated time set to 2.00 h

#2 - 2013-05-28 15:55 - aplanas

- Start date changed from 2013-05-13 to 2013-05-30

#3 - 2013-06-17 08:39 - aplanas

- % Done changed from 0 to 70

- Status changed from New to Closed

There is something now equivalent in the base test class.
