openQA Tests - action #41477
[sle][functional][y] test fails in yast2_samba - Improve transition to tab "Trusted Domains"
24/09/2018 05:51 am - JERiveraMoya

Status: Resolved  Start date: 24/09/2018
Priority: Normal  Due date: 09/10/2018
Assignee: JERiveraMoya  % Done: 0%
Category: Bugs in existing tests  Estimated time: 3.00 hours
Target version: Milestone 21

Description

Observation

openQA test in scenario opensuse-15.1-DVD-x86_64-yast2_ncurses@64bit fails in yast2_samba

Improve transition to Trusted Domains tab. Probably 'alt-t' didn't take any effect because we just wait for still screen for a couple of seconds instead of assert and ensure we have came back to the layout with the tabs (in particular this check is important when we go on after closing some pop-up/alert/warning like in this case).

Reproducible

Fails since (at least) Build 305.2

Expected result

Last good: 304.2 (or more recent)

Further details

Always latest result in this scenario: latest
