Test suite description

Incident Installation TEST

Reproducible

Fails since (at least) Build [:10251:qemu](#) (current job)

Expected result

Last good: [:10346:bind](#) (or more recent)

Further details

The boot is not passing throught the UEFI menu.

Always latest result in this scenario: [latest](#)

History

#1 - 2019-02-19 18:40 - bfilho

- Status changed from New to Rejected

Seems to be an issue with the images from a few incidents during a specific time frame.
Current tests are running fine.
