Target version: future	

Description

Create regression test for yast dhcp-server:

- disable
- enable
- check status
- manage options
- manage subnets

- Status changed from New to Blocked

#9 - 2020-05-15 15:16 - tjrinski_suse

- Assignee deleted (klorenzova)

I pushed this forward to get it landed again, but the new proposed update did not fix the issue as found out by Katka:

<https://smelt.suse.de/request/215070/>

So currently this is still blocked.
