

## openQA Tests - action #50072

### [qam] test fails in salt\_master - improve test timing

2019-04-05 17:46 - bfilho

<b>Status:</b>	Resolved	<b>Start date:</b>	2019-04-05
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>	pdostal	<b>% Done:</b>	100%
<b>Category:</b>	Enhancement to existing tests	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>			
<b>Difficulty:</b>			

**Description**

#### Observation

openQA test in scenario sle-15-Server-DVD-Updates-x86\_64-qam-salt-master@64bit fails in [salt\\_master](#)

#### Test suite description

Maintainer: [pdostal@suse.cz](mailto:pdostal@suse.cz), [pcervinka@suse.cz](mailto:pcervinka@suse.cz)

#### Reproducible

Fails since (at least) Build [20190405-1](#)

#### Expected result

Last good: [20190404-1](#) (or more recent)

#### Further details

For the test to succeeds it needs too many restarts on the OSD during the day. I would suggest to adjust the timing

Always latest result in this scenario: [latest](#)

#### History

##### #1 - 2019-04-22 06:24 - okurz

This is an autogenerated message for openQA integration by the openqa\_review script:

This bug is still referenced in a failing openQA test: qam-salt-master  
<https://openqa.suse.de/tests/2819438>

##### #2 - 2019-04-23 10:35 - pcervinka

- Assignee set to pdostal

@Pavel, could you please check it?

##### #3 - 2019-05-23 09:00 - pdostal

- Status changed from New to In Progress

This is since this week in progress. I made some improvements and I expect to open the pull request soon. There are also another issues with salt right now but those are in my opinion not related.

##### #4 - 2019-05-28 15:19 - osukup

- Priority changed from Low to Normal

##### #5 - 2019-06-21 14:00 - dzedro

- Status changed from *In Progress* to *Resolved*

- % Done changed from 0 to 100

Should be fixed.
