

openSUSE Leap 15.1 - action #50687

set link to /distributions/leap in countdown on www.o.o

2019-04-24 11:37 - Inussel

Status:	Resolved	Start date:	2019-05-22
Priority:	Normal	Due date:	2019-05-22
Assignee:		% Done:	100%
Category:	Marketing	Estimated time:	0.00 hour
Target version:	GA		
Description			
The countdown on www.opensuse.org links to /distributions/testing. It needs to point to distributions/leap on the release day unless https://github.com/openSUSE/software-o-o/issues/542 gets implemented.
