openQA Tests - action #54695

[sles4sap] adapt SAP tests for saptune V2

2019-07-26 13:29 - ldevulder

Status:	Resolved		**Start date:**	2019-07-26
Priority:	Normal		**Due date:**	2019-09-30
Assignee:	rbranco		**% Done:**	100%
Category:			**Estimated time:**	0.00 hour
Target version:				
Difficulty:				

Description

saptune_V2 has been released and deployed on older SLES4SAP versions through maintenance update.

What needs to be done:

- our current tests need to be adapted to support this new version
- enhanced our tests with new saptune_V2 functionalities (if needed)
- add support for 'mr_testy' test suite

History

#1 - 2019-07-26 16:09 - ldevulder

- % Done changed from 0 to 30

Part of the fixes done: https://github.com/os-autoinst/os-autoinst-distri-opensuse/pull/8031

#2 - 2019-08-08 09:40 - rbranco

- Status changed from New to In Progress

- Assignee changed from ldevulder to rbranco

- % Done changed from 30 to 80

Add saptune v2 tests with mr_test
https://github.com/os-autoinst/os-autoinst-distri-opensuse/pull/8101/

Missing only for Build Validation:
Custom checks for Intel & Power

#3 - 2019-08-15 11:10 - rbranco

- % Done changed from 80 to 90

The test suites were created and added to SLES4SAP 12.

Missing on openQA:

1. The automated bare-metal x86_64 test. The code is there but I'm waiting for Alvaro's fix to be merged.

2. The automated LPAR ppc64le test. The ppc64le machines on openQA run on QEMU.
   Fix: Run the mr_tester.sh script on gitlab.suse.de/rbranco/mr_test/

3. Add the test suites to SLE 15 SAP.

Missing on openQA QAM (this should be another #poo issue):

1. Fix the SLES4SAP 12-SP3 openQA job group that hasn't been working for over a year.

2. Optimize the process so they use already installed images (qcow2) instead of installing 12-SP3 each time.

3. Create the the remaining job groups for other SLES4SAP releases: 12-SP2, 12-SP4, 15 & 15-SP1

4. Figure out if the saptune v2 tests can be triggered only for the saptune package.

#4 - 2019-08-15 12:43 - rbranco

- Status changed from In Progress to Resolved

- % Done changed from 90 to 100

#5 - 2019-08-30 05:59 - okurz
