### History

#### #1 - 2019-08-06 15:56 - okurz

- Copied from action #54902: openQA on osd fails at "incomplete" status when uploading, "502 response: Proxy Error" added

#### #2 - 2019-08-20 21:33 - okurz

- Status changed from Feedback to Resolved

both alerts have been handled and levels are back to normal. We asked Infra to move the HTTP access check to "/tests" and the i/o load has been handled by multiple means, biggest impact seems to have been disabling the obs sync plugin until it's async.
