**Description**

directory exists, but is empty.

**History**

**#1 - 01/02/2020 01:21 pm - pjessen**

- Category set to Mirrors
- Private changed from Yes to No

**#2 - 08/02/2020 08:52 am - pjessen**

- Due date set to 15/02/2020
- Status changed from New to In Progress
- Assignee set to pjessen

I have written to the admin to inquire about status.
#3 - 19/02/2020 07:52 am - pjessen
- Due date changed from 15/02/2020 to 01/03/2020
- Status changed from In Progress to Feedback

I have also added 'ajax.uib.no' to the ACL - both IP-addresses map back to that, but we only had 'ftp2.uib.no' listed.

#4 - 26/03/2020 09:17 am - pjessen
- Due date deleted (01/03/2020)
- Status changed from Feedback to Resolved
- % Done changed from 0 to 100

'opensuse.uib.no' does not even resolve now. Still no response, I'll delete this mirror.
