- Tracker changed from coordination to action
- Status changed from Feedback to Closed
- % Done changed from 0 to 100

#3 - 2013-08-29 12:53 - Inussel

shim now has both the old and the new certificate embedded. That is needed to still be able to boot kernel signed with the old certificate on openSUSE 12.3 as the certificate is shared with openSUSE 12.3 due to a limitation of the implementation.
