

openQA Infrastructure - action #68633

alert if there is no worker active for any existant machine class

2020-07-04 07:55 - okurz

Status: New	Start date: 2020-07-04
Priority: Low	Due date:
Assignee:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version: future	

Description

Motivation

See [#33127#note-28](#) . Every "machine" in openQA should have at least one worker instance with matching WORKER_CLASS to be able to execute tests otherwise tests are stuck in scheduled state forever. We could have monitoring that alerts about this. Alternative: Fail tests or incomplete automatically after configured time.

History

#1 - 2020-07-29 07:13 - okurz

- Priority changed from Normal to Low

#2 - 2020-10-22 13:36 - okurz

- Target version set to Ready

#3 - 2020-10-30 05:59 - okurz

- Target version changed from Ready to future
