[y][epic] Extend yast clients coverage in first boot tests

2020-07-21 09:34 - riafarov

Status:	Closed	Start date:	2020-07-21
Priority:	Low	Due date:	
Assignee:	riafarov	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	future		
Difficulty:			
Description			
As of now we cover only yast clients which are enabled by default. Motivated by https://trello.com/c/WN7ywJhr/1943-2-sles15-sp2-p3-1173298-yast2-firstboothostname-breaks-with-error and https://bugzilla.suse.com/show_bug.cgi?id=1173298			
Here we can see full list of available clients: https://github.com/yast/yast-firstboot/blob/master/control/firstboot.xml			
There is refactoring of the first boot functionality planned, so we should clarify the requirements. All the clients cannot be enabled in one test suite as some of them conflict with each other, so we will need to split it to multiple scenarios.			

History

#1 - 2020-07-21 09:42 - riafarov

- Due date set to 2020-08-25

due to changes in a related task: [#69175](#)

#2 - 2020-07-28 10:30 - riafarov

- Due date deleted (2020-08-25)

- Category deleted (New test)

- Status changed from New to Closed

- Assignee set to riafarov

- Priority changed from Normal to Low

Closed in favor of [#69130](#), description is updated.

#3 - 2020-10-12 13:34 - szarate

- Tracker changed from action to coordination

#4 - 2020-10-12 13:45 - szarate
