[cdywan](#) please always include links where to check the alert and the current state. I assume this refers to

<https://monitor.qa.suse.de/d/WDopenqaworker-arm-3/worker-dashboard-openqaworker-arm-3?viewPanel=65102&orgId=1&from=1619651113434&to=1619840204343>

With my work on [#89113](#) I have replaced ntp with chrony and since then it looks fine:

<https://monitor.qa.suse.de/d/WDopenqaworker-arm-3/worker-dashboard-openqaworker-arm-3?viewPanel=65102&orgId=1&from=now-7d&to=now&refresh=1m>

Sorry about that. The "Alert rule" was this:

<http://stats.openqa-monitor.qa.suse.de/d/WDopenqaworker-arm-3/worker-dashboard-openqaworker-arm-3?tab=alert&viewPanel=65102&orgId=1>

So that seems correct.
