

openSUSE admin - tickets #93291

change dns irc.opensuse.org to irc.libera.chat

2021-05-31 15:22 - dirkmuller

Status: Resolved	Start date: 2021-05-31
Priority: Normal	Due date:
Assignee: bmwiedemann	% Done: 90%
Category:	Estimated time: 0.00 hour
Target version:	
Description	
Hi, see subject, things have moved on from freenode to libera..	

History

#1 - 2021-06-10 07:35 - bmwiedemann

- Status changed from New to Resolved
- Assignee set to bmwiedemann
- % Done changed from 0 to 100
- Private changed from Yes to No

host irc.opensuse.org

irc.opensuse.org is an alias for irc.libera.chat.

#2 - 2021-06-10 08:43 - bmwiedemann

- Status changed from Resolved to Workable
- % Done changed from 100 to 20

reverted DNS for now as it needs more preparation and announcement via news.o.o

#3 - 2021-06-15 11:13 - bmwiedemann

- Status changed from Workable to Resolved
- % Done changed from 20 to 90

I updated irc.o.o to irc.libera.chat again
