

openQA Tests - action #93321

coordination # 93318 (Workable): [qe-core][epic] Add SLE tests to Tumbleweed where missing

[qe-core] Add vsftpd test to Tumbleweed

2021-06-01 07:52 - tjyrinki_suse

Status: Resolved	Start date:
Priority: Normal	Due date:
Assignee: dvenkatachala	% Done: 0%
Category: New test	Estimated time: 0.00 hour
Target version: QE-Core: Ready	
Difficulty:	

Description

Note: this ticket is with New status, and would need history explanation why vsftpd is in sle_tests only.

Add the following tests in Tumbleweed testing:

```
tests/console/vsftpd.pm
```

Acceptance criteria

- AC1 The tests are scheduled under extra_tests_textmode test suite under https://openqa.opensuse.org/group_overview/1 job group
