### History

#### #1 - 2021-06-09 21:26 - okurz

- Copied from action #92957: Add option to openqa-review to skip displaying all passed results added

#### #2 - 2021-06-09 21:26 - okurz

ok, updated python3-openqa\_review on lord.arch and executing manually env recv=okurz@suse.de html\_target\_file=openqa\_suse\_de\_skip\_passed.html \$HOME/local/openqa\_review/bin/openqa-review-daily-email --skip-passed. This should create [https://w3.nue.suse.com/~okurz/openqa\\_suse\\_de\\_skip\\_passed.html](https://w3.nue.suse.com/~okurz/openqa_suse_de_skip_passed.html)

#### #3 - 2021-06-10 15:12 - okurz

- Status changed from In Progress to Resolved

I added the following in the cron of [okurz@lord.arch.suse.de](mailto:okurz@lord.arch.suse.de)

```
# Provide an example report with "skip-passed" option for people to compare https://progress.opensuse.org/issues/93727
0 9 * * * 1-5 env recv=okurz@suse.de html_target_file=openqa_suse_de_skip_passed.html $HOME/local/openqa_review/bin/openqa-review-daily-email --skip-passed
```

Added the reference to the test report section on the QA wiki:
