

QA - action #94486

Complete and deploy testreport db and page on smelt

2021-06-22 12:30 - VANASTASIADIS

Status:	Resolved	Start date:	2021-06-21
Priority:	Normal	Due date:	2021-07-12
Assignee:	VANASTASIADIS	% Done:	80%
Category:		Estimated time:	0.00 hour
Target version:	Ready		

Description

User story

Data from testreports are provided by qam.suse.de only in a per-testreport basis. This feature will give users the ability to look at combined data and statistics based on a set of testreports of their choice, by importing the data from qam.suse.de api to smelt and creating a page for their visualization.

- Related gitlab ticket: <https://gitlab.suse.de/tools/smelt/-/issues/501>
- Related mr: https://gitlab.suse.de/tools/smelt/-/merge_requests/588

Acceptance criteria

- **AC1:** The data is accurately imported in smelt in realtime
- **AC2:** The data are correctly displayed in the related reports page

Tasks

- Add realtime db population functionality
- Add performance and readability improvements

History

#1 - 2021-06-23 04:08 - openqa_review

- Due date set to 2021-07-07

Setting due date based on mean cycle time of SUSE QE Tools

#2 - 2021-07-07 10:03 - VANASTASIADIS

- Status changed from In Progress to Feedback

#3 - 2021-07-09 09:17 - VANASTASIADIS

- Due date changed from 2021-07-07 to 2021-07-12

#4 - 2021-07-09 13:31 - VANASTASIADIS

Bumping due date to Monday, since it's when the deployment of the new feature will take place.

#5 - 2021-07-14 10:59 - VANASTASIADIS

- Status changed from Feedback to Resolved

Deployed. Can be found at <https://smelt.suse.de/reports/> under Maintenance Testreports.
