

openQA Project - action #95533

[easy][beginner] try out code ref handling in python backend for production

2021-07-15 09:28 - cdywan

Status: New	Start date: 2021-07-15
Priority: Low	Due date:
Assignee:	% Done: 0%
Category: Feature requests	Estimated time: 0.00 hour
Target version: future	
Difficulty:	

Description

Motivation

To show if the python test backend for os-autoinst supports testapi functions expecting a coderef in Perl, e.g. wait_screen_change

Acceptance criteria

- **AC1:** Tests written in python can use testapi functions expecting a coderef
