##### #3 - 2021-08-16 15:04 - osukup

- Description updated

##### #4 - 2021-08-16 15:37 - cdywan

- Category set to Feature requests

- Status changed from New to In Progress

- Assignee set to osukup

- Priority changed from Normal to Urgent

- Target version set to Ready

Updating urgency based on a conversation with @vpelcak. The MR was reviewed and merged. For the future, please remember to provide context in the ticket or explain it in chat or on the daily so we can prioritize it - with several High and Urgent tickets we can't just take an "API extension" on the backlog. I'm always happy to help, but context needs to be provided.
